### 4th Annual ESC Conference Session: Innovative ESPC Projects

The 4th Annual Energy Services Coalition Market Transformation Conference will highlight four innovative case studies during the first session of the afternoon on September 1. The "Achieving Higher Savings through Innovative ESPC Projects" panelists will present ESPC projects in various parts of the country where innovative energy efficiency and distributed generation projects have proven to be smart investments for public sector building managers and budget officers looking for ways to reduce energy costs.

We encourage you to register for the Conference and book your accommodations now to take advantage of discounted prices and availability.
