### **ABOUT THE ESC CONFERENCE**

Over the years the Energy Services Coalition Market Transformation Conference has earned the reputation as a unique gathering of energy industry experts and public sector thought-leaders coming together to explore the use of GESPC as an option for building

July 3, 2018

### **Want In On The Action?**

The [Preliminary Agenda](#) for the 7th Annual Energy Services Coalition Market Transformation Conference,, October 4-5 at The Georgia Tech Conference Center in Atlanta, Georgia, is now posted to the ESC website.

The morning of October 4th offers attendees two special training opportunities prior to the official Conference Kickoff and Keynote. The first training, "Georgia GESPC Training" is presented by the Georgia Chapter and is focused on how to do performance contracting work in Georgia. Whether you are considering implementing a performance contract in your facility, or offering project services, this training will review how the process works in Georgia.

The second training session, "The Value of eProject Builder," is presented by the ESC. This special opportunity will illustrate the value of data collection, eProject Builder and present an actual walk-through of the tool and how to use it.

[Registration](#) is now open -- but attendance is limited -- so register today! See ya' in Atlanta.
