7th Annual ESC Market
Transformation
Conference

Opening Night Reception Co-hosted by the ESC and the Georgia ESC Chapter

7th Annual ESC Market Transformation Conference -- Oct 4 and 5, 2018
Atlanta, Georgia

Do Not Miss The Opening Night Reception

The ESC Opening Night Reception has a tradition of being a great networking experience for attendees and vendors alike.

The reception, at the conclusion of day one sessions, has a tradition of highlighting the flavor of our host Chapter -- whether that was an Elvis impersonator in Nevada, to country music in Tennessee -- and combining that with a great networking opportunity to learn more about our sponsors and their products

Opening Night Reception

October 4 - 5 PM--7 PM

A Taste of Georgia highlights the opening night reception for this year's ESC Conference. Attendees will be issued a Taste of Georgia passport card to use while networking with exhibitors while visiting numerous food stations located throughout the exhibit hall featuring local flavors and local ingredients. Shrimp and grits anyone?

Take a sip of Georgia! The reception will also highlight local craft beers and special signature cocktails -- Peach Bourbon Sour or the Bourbon Peach Sweet Tea -- all are sure to make you want to slow down and enjoy the comforts of Atlanta and the ESC Market Transformation Conference.

Entertainment for the Opening Night Reception is provided by local musician, Ben Crawford, who will be performing music originated by Georgia-born artists as well as other crowd favorites

See ya'll in Atlanta.

and services.

Jim Arwood

Executive Director, Energy Services Coalition

This year's reception will allow our attendees to mingle in the exhibit hall while enjoying the food, drink and music of Georgia.

[Thank You Bronze Sponsor: Celtic Energy Services](#)

[Celtic Energy](#) helps its clients achieve their energy goals and minimize risk through its work as an independent ESPC Third-Party Consultant, Energy Efficiency Designer for new construction/renovation projects, and Sustainability Project Manager, while acting as a trusted advisor and educator on all energy-related topics.

Sponsorship Opportunities

This year's conference features a number of networking opportunities designed into the conference schedule for exhibitors and attendees to maximize their conference experience. To learn more [click here](#).

The Energy Services Coalition is pleased to have the support of Sponsors in support of our 7th Annual Conference. As a coalition of public and private energy professionals we do not endorse or promote any private sector product or solution.
